

Tree Certificate

This is to certify that C.J.P. Thomassen has planted 882 trees in Kwasasi & Magumba, Kenya between 01-01-2022 and 01-01-2023.

1.108 total trees planted to date.

As they mature, every tree planted will remove 12.3kg of harmful CO2 pollutants from the atmosphere per year and replace it with oxygen. Thank you for contributing to a greener future.
